handover date: **2023 Q3**

HelloParks Páty - PT2

size: **42.000 sqm**

type: **Big Box**

handover date: **2024 Q2**

HELLOZERO

Sustainability plays a defining role in our activities. We focus on reducing greenhouse gas emissions, improving energy savings, and targetting carbon neutrality. In addition to protecting the environment, we are also committed to mental and physical health preservation and social responsibility. That is why our ESG targets have been defined to achieve the climate goals set by the United Nations and our detailed climate neutrality roadmap has been developed until 2035.

This includes that we develop our buildings from the design stage to meet the highest, Outstanding level of the **BREEAM New Construction** category, and the requirements of the **EU Taxonomy**. Furthermore, from 2028, we aim to make our new developments' operations become **Net-Zero**, using **100% renewable energy**. By 2030 we are to **decrease our developments' embodied carbon** by 50% compared to our base values.

Our ultimate goal is to achieve climate neutrality in the entire supply chain in relation to Scope 1, 2, and 3 emissions by 2050.

AWARDS

Best Commercial & Manufacturing Development in Hungary

Five Star Award
HelloParks Páty PT1 -
European Property Awards

Building specifications

- > Docking and drive-in gates with hydraulic dock levellers
- > LED lighting
- > Roof lighting and smoke exhaust
- > Fast-response (ESFR) sprinkler system
- > Dark heaters or heat pump
- > BMS and IoT
- > Security surveillance and CCTV

- > **Additional special solutions**
- > **Smartphone application**

DETAILS

Building name

PT1, PT2, PT3, PT4, PT5, PT6, PT7
