Technical standards

HelloParks Maglód is a modern logistics hub project, meeting the highest technical specifications, consisting of several light production and warehouse buildings.

The Park is located in the eastern part of **Budapest**, one of the most developing industrial regions, a short distance from the city centre. The hub is only **14 km away from the M0-M5** junction, which make this park an attractive location for local, national and international transportation.

Incorporating energy efficiencies and environmentally friendly smart solutions, HelloParks Maglód is going to be BREEAM certified.

The park with its flexible unit sizes can meet the requirements of customers representing diverse industries.
